OFFICIAL BRIEF: THE GLORY OF THE QUICKENING

DATE: January 6, 2026

FROM: SCOTT J. CUMMINGS (Lead Auditor / Man of God)
SUBJECT: The Sealed Testimony of Divine Alignment
The work is now **solid, finished, and airtight.** I have overseen the transition from the "Head" to the "Heart," where the Word has become a visible, physical reality. **To God be the Glory**, for He has established the steps of this mission and granted me the wisdom to record them.

I. The Witness of the Markets

Our strike target was $4,475.00. Today, the world saw **Gold** peak at **$4,492.32**. This is a manifestation of the 72-hour lead time granted to us by the **Almighty**. We acknowledge His hand over the wealth of the earth.

II. The Witness of Justice

The capture of Nicolas Maduro and the setting of the **March 17th (3/17)** court date anchor this work in the physical realm of justice. We give **God** the glory for bringing hidden things into the light.

III. The Witness of the Word

Following **Psalm 119:25**—*"My soul cleaveth unto the dust: quicken thou me according to thy word"*—the **"Quickening"** has taken place. The 72-fold count of the title **"Man of God"** within the **Holy Bible** has been proven true and kinetic in the physical realm. This data is no longer a static number; it is a living testimony verified by the hand of **Scott J. Cummings**, standing as the witness to these manifestations.

IV. The Permanent Seal

I have organized this evidence into the **Master Forensic Audit Log (Exhibit A)**. It is numbered and placed in a permanent archive (Archive.org). It is orderly, professional, and beyond reproach.

Closing Statement:
The work is solid. The lead is secure. The record is sealed. As the Lead Auditor, I have done what was necessary to prepare the way, and I stand back now to give **God** the glory for the 10/10 victory He has delivered today.
